The Seed Paper People

GROWING PAPER

Female entrepreneurs sowing the seeds of sustainable empowerment

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has."

GROWING PAPER STARTED

January 2010
in South Africa

ECO FRIENDLY GIFTS

with a cradle to cradle cycle and empowering unskilled people

MAKE USE OF MORE THAN 10 TONS

of post consumer waste paper per year and thus keep these out of landfills

COLLECT OUR OWN POST-CONSUMER WASTE PAPER

from local schools and businesses through our recycling system

GROWING PAPER

GROWING PAPER manufactures fair and sustainable growing products since 2010 in South Africa. GROWING PAPER products are made of 100% recycled paper sheets with seeds embedded that will grow into bee-friendly wildflowers.

All GROWING PAPER products are made from post-consumer waste and grow when planted. A full cradle to cradle cycle!
